ZEUS 1400 ELECTRIC MEAT MINCER

PALSON®

- **CODE: 30586 EAN:842848805861**
- **Powerful motor 1400 W.**
- **Stainless steel body and aluminum nozzles.**
- **Wide range of accessories for different mincing thicknesses.**
- **Attachments for filling fresh sausages and sausages for curing.**
- **Reverse function to change the direction of rotation.**
- **Non-slip rubber feet.**
- **Can be fully disassembled for easy cleaning.**
- **Container Quantities: 1X40HQ –units.**

LIBRA ELECTRONIC KITCHEN SCALE

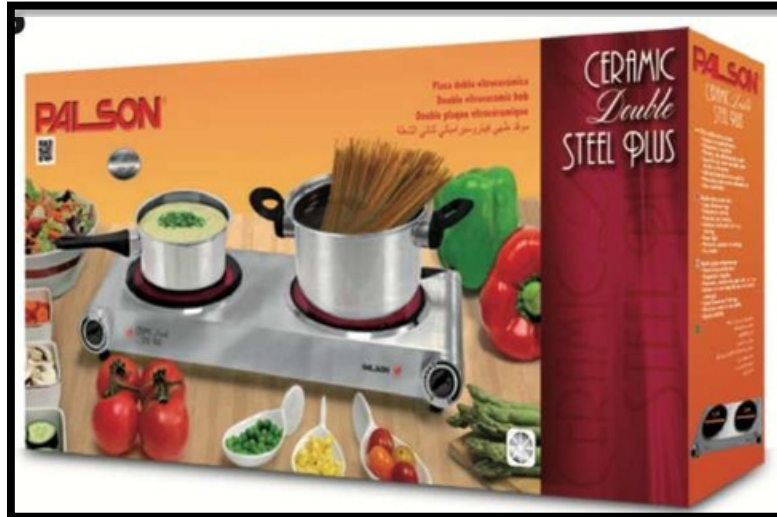

- **CODE: 30651 EAN:842848306511**
- **High weight capacity: up to 5 kg.**
- **Auto-off function for saving battery life.**
- **Tare function: sets the scale to zero when an empty container is placed on it.**
- **Modern and contemporary design.**
- **Sensitivity and minimum weight: 1 gram.**
- **Stainless steel weighing platform.**
- **Compact size, easy to store.**
- **Two weighting units: lbs and g.**
- **4 AAA batteries included.**
- **Container Quantities: 1X40HQ –units.**

CERAMIC STEEL VITROCERAMICHOB 1250W

- **CODE: 30990 EAN: 8428428309901**
- **Large diameter ceramic hob (18 cm).**
- **1250 W.**
- **Temperature adjustable.**
- **Powerful, fast heating.**
- **Stainless steel surface to facilitate cleaning.**
- **Power indicator light.**
- **Overheat protection.**
- **Great stability.**
- **Container Quantities: 1X40HQ –units.**

CERAMIC DOUBLE STEEL PLUS VITROCERAMICHOB 2400W

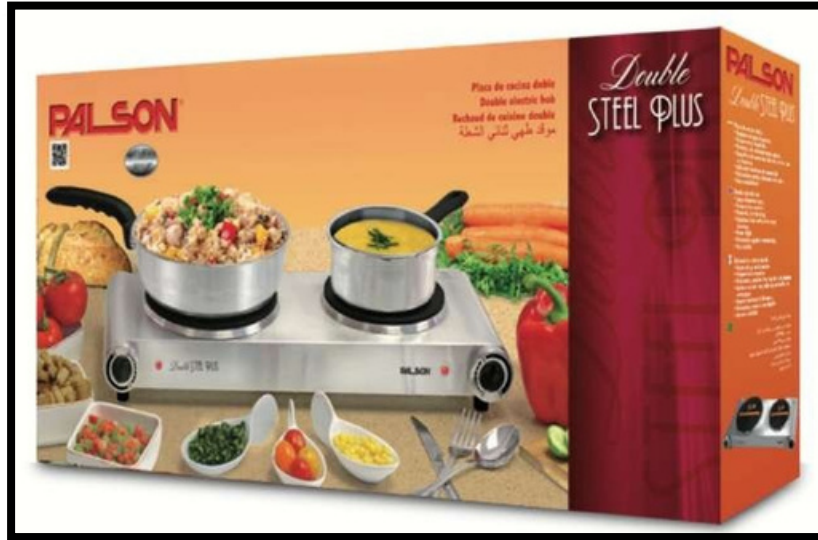

- **CODE:30991 EAN: 8428428309918**
- **Stoves of large diameter (18 cm).**
- **2400 W.**
- **Temperature adjustable.**
- **Powerful, fast heating.**
- **Stainless steel surface for easy cleaning.**
- **Power indicator light.**
- **Overheat protection.**
- **Great stability.**
- **Container Quantities: 1X40HQ –units.**

STEEL PLUS ELECTRIC HOB 1500W

- **CODE: 30992 EAN: 8428428309925**
- **Large diameter stove (19 cm).**
- **1500 W.**
- **Temperature adjustable.**
- **Powerful fast heating.**
- **Stainless steel surface for easy cleaning.**
- **Power indicator light.**
- **Overheat protection.**
- **Great stability.**
- **Container Quantities: 1X40HQ –units.**

DOUBLE STEEL PLUS DOUBLE ELECTRIC HOB 2500W

- **CODE: 30993 EAN: 8428428309932**
- **Stoves of great diameter (19 and 16 cm).**
- **2500 W.**
- **Temperature adjustable.**
- **Powerful, fast heating.**
- **Stainless steel surface for easy cleaning.**
- **Power indicator light.**
- **Overheat protection.**
- **Great stability.**
- **Container Quantities: 1X40HQ –units.**

ZION INDUCTION HOB 2000W

- **CODE: 30994 EAN: 8428425309942**
- **Electronic temperature, time and power selector.**
- **2000 W.**
- **Large-format digital timer display.**
- **Special scratch-resistant black glass surface.**
- **Compact and elegant design.**
- **Temperature range from 60°C to 240°C.**
- **Easy to use programming panel.**
- **Container Quantities: 1X40HQ –units.**

ZION PLUS INDUCTION HOB 3400W

- **CODE: 30516 EAN: 8428425305166**
- **Double induction plate**
- **3400 W.**
- **Electronic temperature, time and power selector.**
- **Large-format digital timer display.**
- **Special scratch-resistant black glass surface.**
- **Compact and elegant design.**
- **Temperature range from 60°C to 240°C.**
- **Easy to use programming panel.**
- **Container Quantities: 1X40HQ –units.**

TECHNO INDUCTION PLATE 2000W

- **CODE: 30511 EAN:842848805113**
- **Electronic temperature, time and power selectors.**
- **2000 W.**
- **Large-format digital display.**
- **Warning system for non-compatible accessories.**
- **Automatic shut-off function.**
- **Heating surface spans from 12 to 26 cm in diameter.**
- **Special scratch-resistant "black glass" surface.**
- **Container Quantities: 1X40HQ –units.**

TECHNO DUO INDUCTION PLATE 3400W

- **CODE: 30512 EAN:8428428805120**
- **Electronic temperature, time and power selectors.**
- **3400 W.**
- **Large-format digital display.**
- **Warning system for non-compatible accessories.**
- **Automatic shut-off function.**
- **Heating surface spans from 12 to 26 cm in diameter.**
- **Special scratch-resistant "black glass" surface.**
- **Container Quantities: 1X40HQ –units.**

PALSONHOME

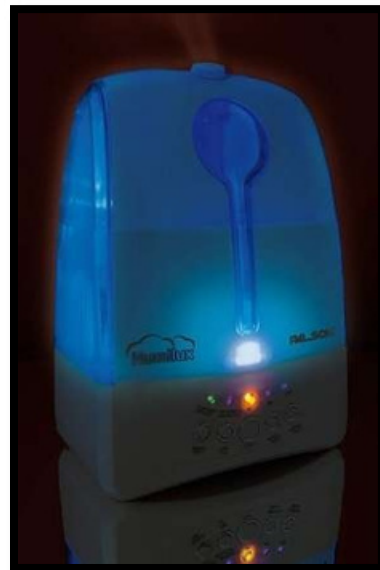

HUMILUXULTRASONIC IONISINGHUMIDIFIER

PALSON®

- **CODE: 30542 EAN:8428428305422**
- **Ultrasonic technology that generates cold steam, therefore avoiding danger of burns.**
- **Purifies the atmosphere thanks to the ionizer.**
- **Softens hard water through a filter with ceramic spheres.**
- **Automatic shut-off timer.**
- **Four steam output levels.**
- **Relaxing night light.**
- **Container Quantities: 1X40HQ – units.**

KOMPACTRECHARGEABLE VACUUM CLEANER

- **CODE: 30548 EAN:8428428305484**
- **Cordless vacuuming, far maximum ease.**
- **Great suctioning power: 2.5 Kpa**
- **Vacuum dry and wet surface.**
- **Accessory for liquids and for corners and areas that are difficult to access.**
- **Operates with micro filters and do not require bag.**
- **Charging station and accessories.**
- **Charging indicator light.**
- **Great autonomy.**
- **Container Quantities: 1X40HQ – units.**

SKY STEAM CLEANER (WHITE/BLUE)

- **CODE: 30582 EAN:8428428805823**
- **High power descaling at high temperature.**
- **Water reservoir capacity: 320 ml.**
- **High steam pressure: 3 bar.**
- **150 ml soap dispenser with dose control, which disinfects as it cleans.**
- **Extra-long 4.8 meters cable.**
- **Triple safety system.**
- **Equipped with a wide range of accessories for cleaning different surfaces.**
- **Container Quantities: 1X40HQ – units.**

COUNTRY FILTER VACUUM CLEANER 1800W

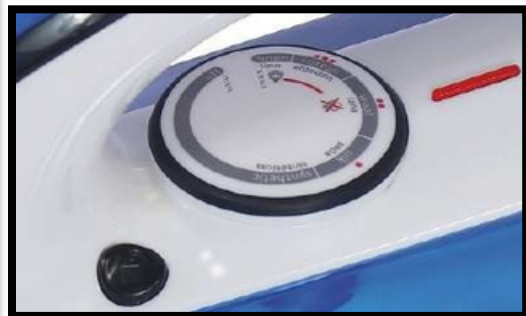

- CODE: 30971 EAN:8428428309710
- Powerful, efficient 1800 W motor.
- 18 liter capacity.
- Multi-filter system.
- Blowing function.
- Dust level indicator.
- Canister dirt level indicator.
- Metal telescopic tube.
- Wide range of accessories for cleaning different surfaces.
- 5 meter cable.
- Container Quantities: 1X40HQ – units.

COUNTRY PLUS FILTER VACUUM CLEANER 2000W

- CODE: 30970 EAN:8428428309701
- Powerful, efficient 2000 W motor.
- 20 liter capacity.
- Multi-filter system.
- Blowing function.
- Dust level indicator.
- Canister dirt level indicator.
- Metal telescopic tube.
- Wide range of accessories for cleaning different surfaces.
- 5 meter cable.
- Container Quantities: 1X40HQ – units.

OSIRIS STEAM IRON 2200W

- **CODE: 30591 EAN:8428428305910**
- **Auto-off function when not used for safety and to save energy.**
- **Powerful steam outlet through the sole that allows you to reach difficult areas in collars and cuffs.**
- **Vertical steam outlet for ironing delicate items such as suits, curtains, etc.**
- **Advanced functions: anti-drip, self-cleaning and anti-scale.**
- **Water tank of 350ml. capacity.**
- **Steam blow: Max 110g./min.**
- **Power 2200 W.**
- **Container Quantities: 1X40HQ – 6200 units.**

TRAVELLERTRAVEL IRON 1000W

- **CODE: 30810 EAN:8428428308102**
- **Space-saving foldaway handle.**
- **Temperature control thermostat.**
- **1000 W of power, making it one of the most powerful travel irons on the market.**
- **Power-on light.**
- **Water tank integrated into the handle.**
- **Steam and spray function.**
- **Dual voltage.**
- **Container Quantities: 1X40HQ – units.**

ELLEGANCEVERTICAL STEAM IRON 2000W

- **CODE: 30812 EAN:8428428308126**
- **Compact size for easy storage.**
- **2000 W.**
- **3.5 liters water reservoir.**
- **2 power levels.**
- **Suitable for all types of fabrics**
- **Easily transportable thanks to the wheels on the base.**
- **Container Quantities: 1X40HQ – units.**

ALASKA 25L PORTABLE THERMOELECTRIC COLDBOX/HOTBOX

- **CODE: 35128 EAN:8428428851288**
- **Double functionality: heats and cools.**
- **Can be connected to any car's 12V car cigarette lighter or directly to a 230V power supply.**
- **Cables and plugs connect directly to a power converter.**
- **Maintains a temperature 20 degrees below the ambient temperature and heats up to 60°C.**
- **Comfortable carrying handle.**
- **Compartments for storing cables and small items.**
- **Dimensions: 44.5 x 40 x 29 cm.**
- **Container Quantities: 1X40HQ – units.**
